

## Naylor Car Club Newsletter February 2020

Well, 2020 is now well underway and the nights are slowly starting to pull out which is always a good sign. Spring flowers are coming out now and for those of you who give your TF's a warm place to spend the winter months it will soon be time to gently wake them from their winter slumbers. We have had Storm Ciara and now have Storm Dennis to look forward to this weekend. It is now time to get your TF's ready for the upcoming season which looks like being a very busy one again. I hope to meet up with as many as possible of you at a meeting somewhere during the course of this year. Sue Heywood, your events coordinator has compiled a list of upcoming events which you will find in this newsletter. Best wishes for a really

good "Hoods Down" 2020
