"Never Lost in the Crowd"

Dear Members,

30th Birthday 17th-19 May 2024

INVITATION

The pressure is now on for all members to make the decision to join us all at the forthcoming milestone 30th Birthday celebration in May next year. We are holding the event at "The Ravens Hall Hotel" , Ravenscar in Yorkshire. Although this event seems to be "far off" you must realise that the hospitality industry is facing difficulties especially where groups book and are let down by low numbers, again we are in the market where lucrative weekend wedding events compete for business, and these are booked sometimes years in advance. Large corporate hotel chains such as Premier Inns and Travel Lodge tend to cater for individual needs. Raven Hall Hotel is a private family run business and therefore cannot afford to be let down. I only put this out, not only to encourage you to take up their offer, but to explain the reasons behind cut off and booking dates, and the requirement for deposits. I have attached the booking form to this Newsletter and trust members will take to opportunity to make this forthcoming 30th Birthday weekend an event to celebrate with a "Naylorfest". Time is of the essence. Do not miss out on what promises to be a memorable "milestone" event. We are aiming to "out do" the 20th anniversary, we need your participation to help us achieve this, and celebrate 30 years of the Naylor Car Club. By popular demand it is planned to spend the Saturday on the North York Moors Railway (as we did in 2015 for the 21st), the longest steam preserved railway within the U.K. and will take us from near to Pickering across the North York Moors through stunning and unique scenery to Whitby. A drive via the Dalby forest a renowned RAC Rally staging point is also included, an experience without comparison within the U.K. We sincerely hope this has wetted your appetite to join us. The rest is up to you. The application form for this event is attached. As usual please book with the hotel before sending in the entry fee. Following recent negotiations the cut off date has been extended to the **20th October 2023**.

2023 AGM 9th Sept 2023

This event is being held at the Knight's Hill Hotel, Kings Lynn and is upon us now and you should have already made bookings and arrangements. Our Secretary has put out the agenda and is giving the normal statutory 21 day period to comment prior to the meeting. If you have any concerns regarding the Annual General Meeting then please contact the Secretary. A reminder that only paid up members may vote. If you still intend to attend in person and are making your own arrangements please notify Rob Baines the POC for the event. Latest news is that a trip on the North Norfolk Railway from Holt to Sheringham is planned for the Saturday afternoon. If you wish for a "Kiss Me Quick" hat, a stick of rock, and a stroll along the sea shore, this is for you. We would like your votes for the various trophies on offer, so if you are not attending please forward your voting papers (attached) to Debs who will collate them. Please take a little time out to fill them in and forward them. Thanking you in anticipation.

Naylor Spares issues: Please use email contact **NOT** phone calls.

Following our recent Committee Meeting it is clear our spares "guru" Clive Taylor is under pressure with requests. He is, as many know running a motor engineering business and has expressed the wish if members require spares they use the email system detailing their request. He can deal with this in between his normal work load. The reason behind this is that phone calls disturb him from his normal business activity if he has to drop tools and answer your request, that costs him time and money. A reminder to members, Clive is doing this spares service in a voluntary capacity, so please be patient. Items are still being sorted, identified and assessed. Some stock items were bought for the original production runs and although we now hold them, sometimes the condition has deteriorated over time with dirt and corrosion, and that requires cleaning before passing on. All this takes time to provide a service to you, so please help Clive. He can deal with your email request at times when he can fit it in with his day job. Thank you for your co-operation on this matter.

Tear Drop Banners: We are currently trying to track down the Naylor "tear drop banners". With the advent of the Midlands group, the Northern and Eastern regions we are keen to ensure each group holds this promotional material. We know as promotional stuff is moved around items go missing so a plea to members to have a look in the back of the garage to identify any Naylor promotional stuff you may hold. Please notify the secretary of any holdings so we can compile an inventory.

Magazine articles: Once again I make the plea to members who must have some articles fit for publication to be included in the next edition of the Naylor News magazine as currently I am running a little light on material. To justify publication costs I really need to "fill" the pages.

I still hold a few copies of the book "Just to make you Smile" and will bring them along to the AGM. Proceeds after production costs will go to Club funds, priced at £20 a copy, I will sign them for free!!

We make a plea to all Naylor groups to pass on their activities to Jacqui Naylor to highlight these via the web site and social media. It allows other members to attend if in the area, giving them the heads up. Again after an event a few photos and a bit of text always helps promote both the Club and Naylor ownership.

Congratulations:

Congratulations go to Howard Pridd and Jackie Moore who have announced their forthcoming marriage. We offer them both our warmest congratulations from the Club.

A Happy "milestone" Birthday to Robert Baines who tells us he is about to live on borrowed time now having hit the three score and ten! Well done Robert and many more of them.

We also know quite a few of our members are combating medical issues, In the interests of privacy will not name names but our collective good wishes go to you all for successful and speedy recoveries from all Club members.

And Finally:

I was stopped in the street the other day by a motorist. He asked if there was a B&Q in Dereham, I said no - a "D",two "e's", an "r", an "h" and an "m".

And Finally - Finally:

Once again a warm welcome to new members and of course not forgetting our overseas members keeping in touch. We sincerely hope and trust you all remain safe and well. as the summer season of motoring events are enjoyed here, with the participation of owners and their cars. A mixed bag of summer weather has at least kept the hood mechanism in working order!

kindest regards to all our members,

Paul

A proposal has been received for Howard Pidd to join the committee.
Please note that Jacqui Naylor is currently co-opted onto the committee as webmaster.
David Naylor is happy to continue as auditor.

According to the Club Rules:

Should you wish to stand for election to any position then please would you submit a proposal to that effect, signed by another member, to be with the secretary not less than 7 days before the AGM.

If you wish to add to the agenda then please submit your proposal, seconded by 2 members, to the secretary at least 14 days before the AGM. Alternatively, the matter may be raised under any other business, provided that a majority of those present agree.

There are three amendments offered to the proposed new Club Rules which, if there are no objections, will be incorporated into the final version, approved at the AGM and promulgated by email shortly thereafter:

Firstly, Sub-Para 3.2 states:

'Joint Members. Full Members may apply for Joint Membership where they wish their spouse, partner, children and/or stepchildren to join. Benefits and rights are the same as for Full Members, except that only one copy of the Club magazine and newsletters will be sent to the couple.'

Despite the text using the word 'couple', the wording implies that several children and/or stepchildren could potentially become joint members. Therefore it is proposed to change the wording to:

'Full Members may apply for Joint Membership where they wish their *spouse or partner or one of their children and/or stepchildren* to join. Benefits and rights are the same as for Full Members, except that only one copy of the Club magazine and newsletters will be sent to the couple.'

Secondly and thirdly, there are inconsistencies in the wording of timescales in 2 paras: Most timescales that are specified are in days; therefore it is proposed to change Para 6, 'six weeks' to '42 days' and Sub-para 9.3 'one month' to '30 days'.
