"Never Lost in the Crowd"

Dear Members,

It's always good to start with some "memory joggers" and a look at your "Things to do list", as I know with advancing age senior moments and memory are maybe not quite as sharp as they once were. So without further prompts.

Annual Subscriptions

A timely reminder that your annual Naylor Car Club subscriptions were due by **30th June** if you haven't already paid. Also a further reminder the bank details have changed since last year, so if you have a direct debit set up please check funds are going to the right place.

Naylor Spares :

Please use email contact to Clive Taylor with your request. **NOT** phone calls please.

Small Ads:

I have attached a couple of pages of "For Sale" items, still available. If members wish you may use the Newsletter for wanted, and exchange items. Please contact me. I have included a car advertisement that was missed off the last Naylor News. The sale price has been amended to "Sensible Offers" since the original went out. If members know of anyone out there that is interested please contact the vendor. Please look at the Naylor Car Club web site for up to date situations regarding car sales. As readers will note the trend of classic cars making the money is focused on the "hot saloons" of the late 60's and 70's. The Naylor will always provide the "classic look" for the more discerning owner, if a somewhat niche market.

30th Birthday Weekend (A short brief - with more to follow and photos in next Naylor News)

Congratulations to David Naylor and all the team involved in putting together the 30th Birthday Weekend and making it a great success. Our combined thanks go to the Naylor family for their gifts to commemorate the occasion, much appreciated by all those attending. Initially the weekend weather for most was pretty dire en-route however glimpses of sunshine came through, but on arrival at the hotel we were shrouded in coastal sea fog but that did not dampen

spirits. On arrival members were presented with a comprehensive package with details of the planned weekend events and a box of "Naylor brand" beer, to help the festivities along! The programme of events on the Saturday started in fog but once a few miles in land it cleared with glorious sunshine through the forests with a run to Pickering to board the North Yorkshire steam train for a trip to Whitby and back. On return Debs Hennesey took charge and marshalled the cars into a celebration formation in the station car park for an "official" photograph. A run back to the hotel for the evening gala dinner was straight forward. At the evening dinner Rod Hennesey acted as M.C. to present Pat Naylor with a certificate making her an Hon Member. He also presented the trophy to the "best car" owner Brian and Ann Mills as selected by the hotel staff, No doubt a large tip to the staff was promised by Brian!! The 30th Birthday cake was duly cut by Pat with the aid of Shirley Burnhill one of the original club founders, with David Naylor making a short speech to close the formalities. The evening rounded off with a folk song session provided ably by Ian Collingwood and his friend Phil Holley on guitars. Thus ended day one. The following day a run was made across the Yorkshire Moors to meet up at the Mallyan Spout pub in the village of Goatland, where a lunch time meal was taken before an afternoon run back to the hotel at Ravenscar. On the Monday with all the packing and hotel payment settled a scheduled option was to stop off at Burnby Hall Museum and Gardens to bring to an end a great weekend. Once again another highly successful special birthday weekend. Again thanks to all the team involved.

Eastern Region visit 14th June

Rob and Jane Bream kindly organised a visit to a local classic car collection owned by Rob's school pal Ernie Warren. Both shared similar backgrounds, being part of family building companies, and both went on holiday to Venice in 1958, and shared a common interest in vintage and classic cars. Ernie started collecting and restoring cars very early on and currently has 42, all on the road apart from a few still being restored or repaired. On 14th June seventeen local members of the Naylor Car Club joined together for lunch in Bury St Edmunds before going to view Ernie's collection. Too many to describe in detail but great cars. Ernie also has about 50 static engines, together with a large collection of tools, signs and original equipment. Ernie is also a Freeman of the City of London, and prefers his 1956'ish Bentley as a run about. The afternoon concluded with the interesting and generous couple providing specially baked sausage rolls, cakes and tea. A super afternoon enjoyed by all. (contributed by Rob Bream)

As a club we have been offered discount tickets on single day adult ticket prices and also family and multi - day tickets. This will only apply to tickets purchased before midnight on the 7th Nov.

Some Tail Enders :

Magazine articles:

Once again I make the plea to members who must have some articles fit for publication to be included in the next edition of the Naylor News magazine as currently I am running a little light on material. To justify publication costs I really need to "fill" the pages. If you have photographs to go in please annotate who, what, and where!

I still hold a few copies of the cartoon book "Just to make you Smile" and will bring them along to the AGM. Proceeds after production costs will go to Club funds, priced at a reduced price of £15 a copy, I will sign them for free!!

Congratulations:

A Happy "milestone" Birthday to Ken Fletcher who like the TF's can soon sport an octagonal badge! Well done Ken and many more of them.

We also know quite a few of our members are combating medical issues, In the interests of privacy will not name names but our collective good wishes go to you all for successful and speedy recoveries from all Club members.

And Finally:

I was starting a honey business but alas it failed and I didn't have a Plan B !

Why did the bee's go on strike?

They wanted more honey and shorter working flowers!

And Finally - Finally:

Once again a warm welcome to all new members and of course not forgetting our overseas members keeping in touch. We sincerely hope and trust you all remain safe and well. as the summer season of motoring events are enjoyed here, if a little soggy. At least it gives the hood a work out and keeps the hood mechanism in working order!

Kindest regards to all our members,

Paul

AGM WEEKEND

THE PETWOOD HOTEL
STIXWOULD ROAD, WOODHALL SPA, LINCOLNSHIRE, LN10 6QG

The 2024 AGM will take place over the weekend of the 27th - 29th September at the Petwood Hotel. It's fairly central location in the country gives the opportunity to attend whilst limiting the distance travelled and we hope that will maximise attendance.

Please book your accommodation directly with the hotel, saying that you are with the Naylor Car Club, on 01526 352411. The cost is £200 for a double room and £157.50 for a single, dinner, B&B, extra nights £10 less. Rooms must be booked by 26th July and will involve a deposit of £50pp which is refundable up to 7 days prior. Please feel free to make your own B&B arrangements and if you wish to join us for dinner the charge is £45pp which must be booked and paid for 14 days prior. Menu choices for the 3 course dinner will need to be made a couple of weeks before for the first night and then on the morning after for subsequent nights, which I will co-ordinate.

Entry fee for the weekend is £30 per car, to cover the cost of the rally plate and attendance plaque etc.

Activities will start on Friday 27th with a visit to the Battle of Britain Memorial Flight (BBMF) at the nearby RAF Coningsby at 1400hrs. The guided tour takes about one and a half hours to complete and gives the opportunity to see whatever is available in the hangar, as allowed by the flying and maintenance programme. Provided we get at least 15 people interested, the discounted cost is £10.35 for adults and £9.00 for concessions which needs to be paid by us in a lump sum, so please make payment to the Club account, sent in with the entry fee.

Other things to do in Lincolnshire include:

The Bubble car Museum Boston, Seal Sanctuary Mablethorpe, Tattershall Castle, Bomber Command Centre Lincoln, Museum of Lincolnshire Life Lincoln, Cogglesford Water Mill Sleaford, Cranwell Aviation Heritage Museum, Metheringham Airfield Visitor Centre, Mrs Smith's Cottage near Waddington, Lincolnshire Road Transport Museum Lincoln, Natureland Skegness, Lincolnshire Wolds Railway, Heckington Windmills and breweries.

Cadwell Park racetrack is not far away and I am enquiring with them whether there is any chance of a parade lap for our Naylor's, depending on their programme. There are 4 roads in the area marked as 'scenic' routes on the map. There is also 'the Kinema in the Woods' in Woodhall Spa and we will see whether there is a suitable film to watch at a convenient time.

If you would like to join us, then please complete the form enclosed with this edition of the Naylor News and get it to me, Mike Chatterton, with payment into the NEW club bank account for the Club entry fee and BBMF entry fee. Looking forward to seeing you there!
