NEWSLETTER

***March 2023***

*"Never Lost in the Crowd"*

Dear Members,

## **A Few Notes from your Editor:**

I sincerely hope this "out of phase" Newsletter will not "throw out your routines" and mess with your brain! as I juggle with being away from the desk until the start of May. I am trying to bring you all up to date as plans are starting to "hatch" for the summer. As mentioned previously the next Easter edition of magazine will be delayed. We trust most members will be out and about giving their Naylor/Hutsons/Mahcons a look at the fresh air, and shake the winter blues away. The "Drive It Day" in April provides an excuse for a shakedown run.

Once again a further "last call" as time evaporates with a reminder to all members that the Birthday Weekend is organised for the 12th -14th May at Matlock Baths if you haven't already booked, there is still time. The booking form is attached so we look forward to seeing you there.

Those who ordered hard copy Naylor Manuals should have received them by now, if not please contact Clive. The hard copies are now available for purchase at £35 plus post and packing through Clive Taylor. Please contact him with your order at TME Motorsport Engineering Ltd., Unit 1 Redgrave Business Centre, Gallows Hill, Redgrave, Suffolk, IP22 1RZ Tel : 01379 890945/ 07500 004286 email: [clive@tme-ltd.com](mailto:clive@tme-ltd.com) and he will send you the manual with invoice. Payment to treasurer Tony Brooks payable to Naylor Car Club. Thanks to all those who expressed an interest. We are using the existing spares distribution set up as a means of distributing the manuals. No doubt we shall make a few copies available at the Birthday Weekend as well, if you need an upgrade.

Another "project under development" is the publication of about 40 cartoons that have appeared in the recent Naylor magazines. The book will show the cartoons and the inspiration text. Hopefully these will be available for sale at the Birthday Weekend, as a tribute to the late Jim Burnhill and Freda. Proceeds after production costs will go to Club funds.

Without putting on a repeat record our spares cache is currently being identified and sorted, so please be patient if requesting spares, as this task is ongoing. Many items have not yet been logged into the system, please talk to Clive to give you a steer on what he may have available. He does have a "day job" as well.

Once again we make the plea to the membership for a volunteer or nomination/s to take on the role of Club Chairman. Please forward name/s to the Club Secretary for further consideration as we shall need to appoint at the September AGM.

We make a plea to all Naylor groups to pass on their activities to Jacqui Naylor to highlight these via the web site and social media. It allows other members to attend if in the area, giving them the heads up. Again after an event a few photos and a bit of text always helps promote both the Club and Naylor ownership.

## Events 2023

Major changes following discussions with the sponsors of the NEC Classic Car Show have concluded we shall **NOT** be attending as a participant this coming year. However we still have a foot in the door should we wish to make an appearance in 2024. So that option may be taken up in the future. Again if you wish to attend this show as individuals the tickets will be available through the normal online sources.

New on the agenda for this coming year we have the opportunity to join with the National "MG Live" event being held at Silverstone 10th-11th June. Details are currently being formalised and we have been allocated a pitch. Details through Ken Fletcher, those who wish to attend please notify Ken.

As the information on events has come in many organisers have requested applications and fees so these have been attached should you wish to apply to join these events. Most events are covered by "on-line" information, so please use "search engines" if trying to find more details, or contact the (POC's) in your area.

With our eyes set firmly on the horizon the "milestone" 30th Birthday of the Naylor Car Club event is flagged up to all members and in progress for 2024. Bookings will be taken later on in this year. You all have advanced warning to buy flat caps and ferrets! Our thanks to David Naylor, Mike Chatterton and Ian Collingwood for kicking this off. We hope to make this a special occasion so please do make the effort to attend, we would love to see you all there. (See the attached information leaflet.)

I have highlighted the main key event dates, but it is by no means exhaustive as regions may have other plans afoot. You will also note that some events clash, so you are spoilt for choice depending how far you wish to drive, or what appeals to you. Please notify the POC of your intentions, so a meet up of Naylor club members can be made.

### Drive It Day:

Planned for **Sunday April 23rd**. The FBHVC's Drive It Day 2023 is promoted as a Charity Driving Day to raise funds for the NSPCC Childline Charity. The initiative is being run by the Federation to raise funds by also selling rally plates £10 for the standard plate or £30 for the platinum plate. Please visit [www.driveitday.co.uk/shop](http://www.driveitday.co.uk/shop) to purchase items, with the proceeds going to the charity. No doubt local groups will organise a suitable run in support of this event. Those in the Eastern Group a meet up at Anglesey Abbey (National Trust), Cambridge CB25 9EJ aim for 11.00 coffee picnic and cafe available. (POC Sue Heywood)

### Birthday Weekend :

We are pleased to announce the 29th Birthday weekend is planned to take place over the weekend **12th - 15th May 2023** is now "good to go". The venue is the New Bath Hotel, Matlock Spa, Derbyshire. This hopefully provides a central location for most members. Also if you feel hotel accommodation is not your thing then plenty of B&B accommodation is available in the area. The usual focus of a Birthday dinner will be held in the hotel on the Saturday evening, so if you wish to attend then please ensure the organiser (Steve Allen) is aware and you will be charged for the dinner only at £30 per head. For those staying at the Hotel prices are inclusive. Please ensure the hotel booking is made before submitting the form to Steve with the entrance fee. Again please book as early as possible as the hotel is only holding rooms for the Club at the prices quoted for a limited time. (POC Steve Allen)

## **Alrewas Show 15th July**

**Update:** The entrance fee has been increased from £4 to £6 per car due to increased costs. Please contact Jackie Moore at [jackieemb77@virginmedia.com](mailto:jackieemb77@virginmedia.com) if you intend going. She needs to submit numbers to the organisers as soon as possible. Many thanks.

## **2023 AGM:**

Initial arrangements are being made to hold this years AGM at the Knight's Hill Hotel in Kings Lynn, Norfolk. Once again we stress that the focus of the event is at the hotel but if members wish to avail themselves of B&B accommodation there is plenty in the surrounding area, so we shall be happy to see you there whatever your choice. A programme of visits to local attractions will also form the weekend. (POC Sue Heywood)

**Magazine articles:** Once again I make the plea to members who must have some good stories out there to tell, so if you would like to see your name in lights please forward them to me. I have to report the next edition of the Naylor News Magazine will be delayed until after Easter this time, as I shall be out of the country for a couple of months "going walk about!" visiting the Antipodes, checking up on the "rellies" in Oz and NZ. Alas I shall miss the Easter deadline for the next Magazine so it will be published in late May on my return, as I do not have a deputy - Any volunteers?!!

## **And Finally:**

A car was so old and dilapidated someone had scrawled on it "Rust in Peace".

In a PC world - my son came home and stated Marconi was a famous inventor. I corrected him by saying it's not polite and she should be addressed as Mrs Coni !

"That will be £2 Paddy", said the cashier at the local Tesco's car wash. "How did you know I was Irish?" said the man. "We don't get many motorcyclists through here!"

I was going to tell a joke about quicksand, but it takes a long time to sink in!

## **And Finally - Finally:**

Once again a warm welcome to new members and of course our overseas members. We sincerely hope and trust you all remain safe and well, also Covid and winter flu-free, as we all look forward to a new Naylor/ Hutson/ Mahcon motoring year ahead, and the continued comradeship the club offers.

Kindest regards to all our members,

*Paul*
