"Never Lost in the Crowd"

Dear Members,

A Few Notes from your Editor:

"Life is full of good intentions!" I'm not sure who quoted that, but guess it does ring true in my case. I was intending to get a Naylor News Magazine out for the late Easter early spring, but given lead times to get it out, proofed and printed usually runs to a month. Hence a short Newsletter to say we are back from our overseas travels and now need a holiday to get over it! I guess the next magazine should be with you in late May early June now. No doubt we shall feature the up and coming Birthday Weekend, so hope to see some of you at that event. Yes, we missed some of the start events of the season, but also took the opportunity of placing the Naylor in the capable hands of Clive Taylor to rectify a few "niggles". Thanks to the recent spares recovery project he was able to source most spares through the club, so I for one have made good use of club funds! Recent test runs around the Suffolk countryside have been successful.

I recall Freda's ethos that the car was only a means of bringing people together and whilst in New Zealand I was hoping to catch up with two of our members there, however time and distance prevented a face to face contact, but we did have several phone conversations. The Classic car world seems to be alive and well "down under", as we attended a three day Airshow at Omaka, together with an array of classic vehicles. It made an old man very happy! Vintage aircraft and classic cars an ideal combination set in glorious New Zealand countryside surrounded by wineries - Who could ask for more? I am now serving a penance with garden centre visits! Back to reality.

Once again a further "last call" as time evaporates with a reminder to all members that the Birthday Weekend is organised for this coming weekend 12th -14th May at Matlock Spa. We look forward to meeting up friends and of course welcome newcomers. Our grateful thanks to Steve Allen for all his efforts in getting this off the ground and running. We trust the weather gods will be kind.

We still have the hard copy Naylor Manuals available through Clive. The hard copies are £35 plus post and packing through Clive Taylor, alas we understand the postage is expensive as the manuals are heavy. Please contact him with your order at TME Motorsport Engineering Ltd., Unit 1 Redgrave Business Centre, Gallows Hill, Redgrave, Suffolk, IP22 1RZ Tel : 01379 890945/ 07500 004285 email: clive@tme-ltd.com and he will send you the manual with invoice. Payment to treasurer Tony Brooks payable to Naylor Car Club. Thanks to all those who expressed an interest. We are using the existing spares distribution set up as a means of distributing the manuals.

Another "project that was under development" and is now on the streets is the publication of about 40 cartoons that have appeared in the recent Naylor magazines. The book "Just to make you Smile" will show the cartoons and the inspiration text. These will be available for sale at the Birthday Weekend, as a tribute to the late Jim Burnhill and Freda. Proceeds after production costs will go to Club funds, priced at £20 a copy, I will sign them for free!! I'm not sure I can meet any ensuing legal costs, so if club members know a good lawyer then please pass the details to me!

Our spares cache is still ongoing with hopefully more to come. Our thanks to all those who have given their time to help Clive out. As I can testify it certainly makes life easier to know we have the means of keeping the cars on the road and running. Again I can commend Naylor Club members to TME to do the work, especially if you do not have garage facilities.

Once again we make the plea to the membership for a volunteer or nomination/s to take on the role of Club Chairman. Please forward name/s to the Club Secretary for further consideration as we shall need to appoint at the September AGM.

We make a plea to all Naylor groups to pass on their activities to Jacqui Naylor to highlight these via the web site and social media. It allows other members to attend if in the area, giving them the heads up. Again after an event a few photos and a bit of text always helps promote both the Club and Naylor ownership.

Events 2023

Major changes following discussions with the sponsors of the NEC Classic Car Show have concluded we shall **NOT** be attending as a participant this coming year. However we still have a foot in the door should we wish to make an appearance in 2024. So that option may be taken up in the future. Again if you wish to attend this show as individuals the tickets will be available through the normal online sources.

New on the agenda for this coming year we have the opportunity to join with the National "MG Live" event being held at Silverstone 10th-11th June. Details are currently being formalised and we have been allocated a pitch. Details through Ken Fletcher, those who wish to attend please notify Ken.

As the information on events has come in many organisers have requested applications and fees so these have been attached should you wish to apply to join these events. Most events are covered by "on-line" information, so please use "search engines" if trying to find more details, or contact the (POC's) in your area.

With our eyes set firmly on the horizon the "milestone" 30th Birthday of the Naylor Car Club event is flagged up to all members and in progress for 2024. Bookings will be taken later on in this year. You all have advanced warning to buy flat caps and ferrets! Our thanks to David Naylor, Mike Chatterton and Ian Collingwood for kicking this off. We hope to make this a special occasion so please do make the effort to attend, we would love to see you all there. (See the attached information leaflet.)

I have highlighted the main key event dates, but it is by no means exhaustive as regions may have other plans afoot. You will also note that some events clash, so you are spoilt for choice depending how far you wish to drive, or what appeals to you. Please notify the POC of your intentions, so a meet up of Naylor club members can be made.

Birthday Weekend :

We are pleased to announce the 29th Birthday weekend is planned to take place over the weekend **12th - 15th May 2023** is now "good to go". The venue is the New Bath Hotel, Matlock Spa, Derbyshire. Members attending should have received your rally plates by now, so all you have to do is pack the cases and check the car over before setting off. We look forward to a good weekend with the forecast set fair for "hood down" motoring. Thanks again to Steve Allen for the event details and associated leaflets for the area, etc. (POC Steve Allen)

Alrewas Show 15th July

Update: The entrance fee has been increased from £4 to £6 per car due to increased costs. Please contact Jackie Moore at jackieemb77@virginmedia.com if you intend going. She needs to submit numbers to the organisers as soon as possible. Many thanks.

2023 AGM:

Arrangements have been made to hold this years 28th AGM at the Knight's Hill Hotel on the outskirts of Kings Lynn, Norfolk. Once again we stress that the focus of the event is at the hotel but if members wish to avail themselves of B&B accommodation there is plenty in the surrounding area, so we shall be happy to see you there whatever your choice. A programme of visits to local attractions will also form the weekend. (POC's : See attachment flier/booking form.)

Magazine articles: Once again I make the plea to members who must have some articles fit for publication to be included in the next edition of the Naylor News magazine as currently I am running a little light on material. To justify publication costs I really need to "fill" the pages. I am awaiting reports from the Drive It Day and Workshop Day to be included in the next edition, plus of course the Birthday weekend.

And Finally:

I went to the Doctor the other day. I said, "I think I'm addicted to "Twitter"", he said, "Sorry I don't follow you!".

I bought a corduroy pillow the other day as it was making all the head lines.

I have a fear of speed bumps on the road, but the wife said I'll slowly get over it.

And Finally - Finally:

Once again a warm welcome to new members and of course our overseas members. We sincerely hope and trust you all remain safe and well, also Covid and winter flu-free, as we all look forward to a new Naylor/ Hutson/ Mahcon motoring year ahead, and the continued comradeship the club offers.

Kindest regards to all our members,

Paul

Naylor Car Club 28th AGM Weekend

8th - 11th September 2023

Knights Hill Hotel & Spa, South Wootton
Kings Lynn, Norfolk PE30 3HQ

Dear Members

As you will have seen in the recent Newsletter, plans are well under way with the arrangements for the 28th AGM Weekend to be based at the Knights Hill Hotel and Spa near Kings Lynn, Norfolk. Some of you may remember this hotel, as it was the base for the 2008 Birthday Weekend some fifteen years ago. Those of you who remember the dining room will know it was extremely hot but, thankfully, now has air conditioning!

There is so much to see and visit in North Norfolk, including, but not limited to the following: -

Sandringham, Norfolk Lavender, The Muckleburgh Military Collection, North Norfolk Railway (The Poppy Line) & Holkham Hall. The North Norfolk Coast Road (A149) leaves right from the hotel and has such a wide variety of places of interest along its route that there should be something for everyone.

The organising team have visited the Knight Hill Hotel on three occasions so far and found the staff to be very helpful and supportive.

Accommodation at the Knights Hill Hotel has been reserved for the weekend on a dinner, bed and breakfast basis. The cost is £85.00 per person per night. The first six single rooms booked have no single supplement, any single rooms booked after the first six have a £25.00 supplement per night.

We have arranged a dinner only rate of £32.50 per person per night for any members living nearby or staying elsewhere.

You will find **your booking form included with this edition of Naylor News**, but if you would like any further information please don't hesitate to get in touch with any of the organising team.
